

## WANTED! Web Programmer

It's not enough to be better, you have to be different! At LPM, our brand is your personality. If you are bright, knowledgeable, witty and stylishly confident, then you just may be what we are looking for.

---

**DO YOU HAVE  
WHAT IT TAKES?:**

- Can you be the LPM and related company's Web Programming Wizard?
- Can you be a pro at multi-tasking while keeping a 'cool' head?

**NEEDED:**

You've got to have these Essential Skills:

- You thrive toward working in a fast-paced, busy environment so patience and self- motivation is key!
- Do you have strong organizational & follow-up skills to get the tasks done?
- Computer Programming experience (PHP, Java Script, HTML5, DHTML, CSS, Flash, experience with mvc model), have got to be a part of your tool kit!
- Keep it under control —excellent technical troubleshooting skills
- Ability to take direction and work as team collaborator
- Design, program, maintain what you build for us
- Staying Power! – committed to be available on call 24/7.
- English fluency to show off your excellent oral and written communication skills

These Desirable Skills will put you at the top of the stack:

- HS grad—great! Got an IT degree—even better!
- Experience in doing all of the above stuff
- Knowledge of business lingo and software, wow! a plus
- Speak different languages—great!

**THE PERKS:**

Medical, Dental, 401K, Free Meals, 401K, Flex Spending Account  
Vacation and Paid Holidays

---
